<p>If you lost your memory, which of the above morals would remain with you?</p>	<p>(i) (ii) (iii)</p>	<p>(i) (ii) (iii)</p>
<p>We can have different identities at different times, but our morals always remain the same, even when we do not act on them. When we do act on them, they become stronger. Give an example of a time when you acted on each of the morals you identified?</p> <p>(Example: Compromise – Me and my friend disagreed about how to present some work we were doing. Finally, I realised that his opinion was as valid as mine, and I trusted him to do a good job)</p>	<p>(i) (ii) (iii)</p>	<p>(i) (ii) (iii)</p>
